Top Stuff in 2007

We have decided to announce last year
greatest IT innovations.

iPhone

This Time Steve Jobs has hit the bull's eye by introducing a revolutionary mobile phone in the market. Being able to give a good Wi-Fi connectivity it surely becomes one of the revolutionary products in IT history

MAC OS X LEOPARD

If you think MAC OS X Tiger was awesome you must have a look at MAC OS X Leopard. I haven't seen something better than this! I would just say use MAC OS X Leopard for ones and forget windows forever!

Google Android

One of the best from Google, the Android is really a break through open source software for every java developer.

Sony Ericsson P1i

We haven't seen some really good mobile phones for a long time. This is the one which can be the greatest smart phone ever seen. It can be of great use in business purposes!

iPod Nano

Out of every new iPod I think the Nano has really improved a lot. From a very small screen to 2" screen the Nano 3G is a revolutionary improvement.

Last Year's top 5 games

NFS Pro Street

The NFS Most Wanted was said to be better than NFS Carbon. But NFS Pro Street is the best. You forget about any other game. A sure Master Piece.

NBA LIVE 2008

It's the fastest game you'll like to play and now it is the fastest computer game you'll like to play. With Extreme graphics, finest gameplay the game is the best seller for 2008. The game is a must buy for hard core gamers.

EA BATTLE FIELD BAD COMPANY

We clearly know about the success of Battlefield 2 and Battlefield 1942. It's a master piece from EA and a must play for those who like to play game like half life and counter strike.

EA SPORTS TIGER WOODS PGA TOUR 2008

EA Sports had come up with some great games last year and Tiger Woods PGA TOUR 2008 was one of them. Tiger Woods PGA Tour has been coming since years but this one was the ultimate.

FIFA 2008

Every year EA Sports comes with one football even the last year they launched one of the best FIFA games after the 2007 version. The gameplay was improved and some changes in the manager mode made it a good game to buy if you like football.
